

Shudder by Dee Christopher video DOWNLOAD

The power to provoke motion with one's mind is something that has fascinated man since the existence of such a concept.

Imagine a perfectly simplistic demonstration of mind over matter.

In this video, you will learn how to make a borrowed soda can move freely across the table at a moments notice.

Dee Christopher teaches with the utmost precision this underground miracle, with all the tips, tricks and subtleties added in so that you can go out and perform this effect and blow peoples minds.

With 2 versions of this incredible effect taught, you will be set to perform at a moment's notice, an IMPROMPTU version of Shudder, or when the time is right you will be able to create this miracle COMPLETELY SURROUNDED

"Totally impromptu, ridiculously simple in method. DO NOT BE DECEIVED - Shudder is a PK dream.." - Justin Miller

"This effect is what magic shoulda be- pure, direct and believable. It is so open that it actually PROMOTES belief in the spectator's mind." - Chris Lafferty

"It looks incredible. If you really had the power, it would look like this." - Ravi
