

Return of the Big Flap by Titanas and Chris Webb video DOWNLOAD

No threads and elastics because old school is the way!

Imagine you show any bill or banknote of any value and a playing card which is chosen and marked. In full view with no switches instantly the card changes into the bill and the bill into the card. Give the signed card out as a souvenir!

The strength of this effect is in its visual impact. The transformation happens right in front of your eyes.

On this action packed video you will learn to perform this miracle with ease and yet still have a visual killer. Packed with extra handlings, 3 routines and loads of moves so you can create your own routine. This video is a must have.
