

Thought Process by Merchant of Magic and Wayne Fox video DOWNLOAD

From the creative mind of Wayne Fox comes an impromptu mind reading effect for 'The Workers'

Taken from Wayne's own performing routine, this is....Thought Process!

Just think of any word...Think!

Effect

A spectator mentally selects any word that is printed on a playing card box and remembers it. (A choice of over 30 words) The magician then instantly tells the spectator the word they are merely thinking of!!!

- : Instantly repeatable WITH A DIFFERENT WORD
- : Supplied with instructional video containing three of Wayne's unique presentations of the effect.
- : The word thought of, is at no point written down.
- : Complete with all props and special gimmicks for all three presentations.

Running Time Approximately 36min
