*Unwrapping the Secrets of Performing in **The Real World!***

This video gives you the opportunity to watch and learn the material that has kept professional close-up magician Frank Balzerak in constant demand with companies like: Bank of America, IBM, Nabisco, Ford Motor Co., Charles Schwab, Frito Lay, Dow Chemical, Hewlett-Packard, Pacific Bell and Fox Television along with many of today's top stars and celebrities.

After the live performance, captured live in bar and restaurant situations, Frank lets you in on much more than just the handlings and sleights behind the effects. He also reveals the hard-earned insights and expertise that can only be gained from years of professional performing, showing you how to look at the fine points and polish your tricks into finished routines.

This routine is perfect for walk-around performances, are extremely visual, do not require the use of a table, and use normal-looking props which fit comfortably in your pockets. This material is also well within the skill-level of the average magician.
