

## **Fingers of Fury Vol.1 (Weapons Of Choice) by Alan Rorrison & Big Blind Media video DOWNLOAD**

On video for the very first time, one of magic's newest and brightest talents, Alan Rorrison, unleashes the very best material from his working repertoire. These are the effects that have gained Alan a reputation as a magician who, time after time succeeds in combining fresh, original plots with unique, off the wall methods.

### ***Volume One - Weapons Of Choice.***

Watch as Alan breaks and then restores a borrowed key! Slices a chosen card deep into his arm! Causes a marked coin to penetrate into his cell phone! Repeatedly pushes a coin through an ordinary shot glass! Moves the head of stickman drawn on his business card! All this and more awaits you on this fantastic video. Climb aboard and buckle up as we delve deep into the mind of one magic's hottest new names in **FINGERS OF FURY Vol.1 - WEAPONS OF CHOICE!**

**Deep Impression** - A selected card slices into your arm like a knife into butter. Owwww!

**3 Shot Slammer** - A 3 phase coin through glass routine (and the third phase is a DOOZY!)

**Broken Home** - Borrow a bunch of keys and then BREAK (and restore!) one of the keys!

**Evolution** - watch as the head of a stickman drawn on your business card impossibly moves across the paper.

**Hells Bend** - You bet your hapless spectator that you can bend a coin by blowing on it. And that's just what you do!

**Lightless Lights** - After showing your hands clearly empty you proceed to pluck flickering lights from the ether.

**Relentless** - A spectator's coin visibly penetrates the screen of your mobile phone.
