

Finney Live at Lake Tahoe Volume 3 by L&L Publishing video DOWNLOAD

These are the inner workings of the magic in Michael Finney's repertoire; the tricks that made him a star. And, though you'll learn the secrets behind the tricks, there's much more here than that. You'll learn the real secrets of what makes magic entertaining to real-life audiences and even if you choose not to perform these specific pieces, the information that Michael so generously shares on this video has the power to transform and empower the magic you already do. Watch Michael as he tips the real work on:
