### **Volume One**

On this volume, you'll be treated to amazingly visual effects perfect for the platform performer.

#### **Content Includes:**

**Cut & Restored Ribbon** - The performer shows two lengths of ribbon and then clearly severs them. With just a gesture, they are restored.

**Rose Surprise** - Flower blossoms are produced from an empty cylinder.

**Vanishing Rose** - A rose blossom visibly vanishes right at the performer's fingertips.

**Coin Production** - Large silver coins are produced out of nowhere from a sheer scarf.

**Jumping Knot** - A red scarf is laid inside a folder. A white scarf is knotted. At the performer's command, the knot vanishes and is found to be tied in the red one.

**Linking Silks** - Three sheer scarves are tied into loops which then link and unlink in inexplicable and astounding ways.

**Mia's Silk Puffs / Three Mysterious Knots** - Knots are tied into the centers of three sheer scarves. The scarves are then tied together in a loop yet the center knots magically untie themselves while the scarves remain tied to each other.

**Silk into a Bouquet of Flowers (explanation only)** - An extremely clever method for producing a bouquet of spring flowers in the center of a sheer silk.
