

Secret Seminars of Magic with Patrick Page : Rope Magic / Magic with Paper Volume 4 video DOWNLOAD

If you think you know everything about rope magic, you've never seen Patrick Page! With nothing more than a length of rope and a pair of scissors, Patrick Page will teach you how to entertain in just about every performing situation. Besides the basic Cut and Restored Rope, you'll also learn routines with knots, rings and ropes and even the classic Linking Ropes. This video presentation is a virtual encyclopedia of rope magic!

Magic with Paper

Everyone is surrounded by paper yet few magicians realize its enormous magical potential. In this video presentation, Patrick Page teaches various tricks and stunts with paper, with everything from a basic torn and restored effect to wonderful bits of business with paper that is perfect for children's performers or MC work. You'll also learn Patrick Page's classic Easy Money, the original paper-to-money effect that started it all!
