

Tearify Newspaper Mindreading by Nathan Kranzo video DOWNLOAD

The classic Newspaper Test stripped down to its bare essentials. Done with NO GAFFS, GIMMICKS or extras. No math, no thinking other than presentation.

On this download Nathan Kranzo will take you through the history of the Newspaper Test starting with work from over 100 years ago to present date.

You see Nathan perform the effect at a theater for real people. You will learn his incredibly simple method that has fooled many.

You need no extra papers or any gimmicks at all. You can be handed any paper and perform it naked.

Nothing added, nothing taken away. A blockbuster classic effect. **STRONG MENTALISM** made simple.
