

## **Burning Up by Nathan Kranzo video DOWNLOAD**

The following 5 tricks are performed and explained in detail in this download...

### **Tip Trey**

Visual card magic at it's best! Inspired by Karel Fox and Gaeton Bloom, this is one of the most amazing and EASY card suspensions you will ever see.

### **Homing Tie**

At the end of a marathon card routine, a SIGNED selection becomes part of your wardrobe.

### **Smells Like Aces**

The four aces EXPLODED into reality. You wouldn't think that things like this were possible with a deck of cards.

### **Fire Coins**

This one is worth twice the asking price of the download! Silver Dollars appear one at a time with each strike of a match. You'll have to watch to see what happens next!

### **Funtac Inflation**

You will freak when you see a penny visually grow 100 times its original size! Then you will laugh when you see the easy method.
