

The Haunted Ring by Arnel Renegado - Video DOWNLOAD

EFFECT 1. A ring is borrowed and you put it inside your finger with the power of your mind you then make the ring fall or even transfer into your spectators waiting hands or finger.

EFFECT 2. You ask your spectator to lay their hand out and place a ring on to their palm. You then place the tip of your finger in to the ring and suddenly it moves up on to your finger! You can then make it move back down on to the spectators palm leaving the ring to be examined while showing your hand completely clean.
