

HIVE by Arnel Renegado - Video DOWNLOAD

Make a borrowed ring, nail, key, paper clip move and rise by itself!

The Hive is a gimmick that allows you to make a ring, a nail, keys and paper clips rise by themselves! EVERYTHING can be borrowed and immediately handed back for examination. Welcome to *THE HIVE*.

EASY TO DO AND PERFORM!

Deviously deceptive.

Note: There is an additional item you will need to purchase to perform this effect.
