

Ghost Band by Arnel Renegado - Video DOWNLOAD

The best opener for any rubber bands routine!

From the mind of Arnel Renegado comes a new effect where you can make a rubber bands appear in mid air visually.

APPEARING RUBBER BANDS //

Magician show his hand empty and introduces the GHOST BANDS, he then throws it in mid air and catches it, amazingly the rubber bands visually appear.

BEST AS AN OPENER TO ANY RUBBER BANDS ROUTINE.

TORN AND RESTORED RUBBER BANDS //

Magician show a rubber bands and asks a spectator to tear it. The magician then instantly restores it. Immediately hand the rubber band for examination.

PENETRATING RUBBER BANDS //

You show your wrist with some rubber bands on it and show your other hand empty, in a flash you are able to penetrate a rubber band right through.
