Incredible rip a borrowed signed coin and visually restored in an instant.

A coin is borrowed and signed on both sides, you then rip it in half right in between on there signature.they can see their signature being rip off, and with no cover with a snap the coin restored and immediately hand that signature coin to be examine no switches.

NOTE: THIS EFFECT DOES NOT USE THE COIN BITE GIMMICK

EASY TO DO

NO SWITCHES

THEY CAN SEE THEIR SIGNATURE BEING RIP

FULLY EXAMINABLE
