Solomon's Secret Subtleties by David Solomon video DOWNLOAD

Dave Solomon is one of the worlds leading thinkers on card magic. His books and DVDs have bought him international acclaim, and on this new download, it's clear to see why Dave is held in such high esteem.

All of these tricks will fool you.

From the self working to the technical, from the commercial workers to the magician foolers, and from the start to the finish, let Dave Solomon make you feel like a lay person, all over again.

Then, sit back and relax as Dave takes you through the workings of these fooling tricks, with in-depth explanations delivered through his casual, chatty style.

Solomon's Secret Subtleties will entertain you.. arm you with incredible magic... and teach you how to think like a master magician.

Grab a deck of cards and let's get started.
