

## **Spray Vanish + Coin from ??? by Sandro Loporcaro - Video DOWNLOAD**

**SPRaY vANish +** by Sandro Loporcaro (Amazo) it is an alternative way to vanish a coin or other small objects, as for example: rings, keys, gaming chips. It can be performed without the use of sleeves. You can also use to change a coin with a key as explained in the video explanation. Suitable for the close up-magic. 100% total vanish!

no magnet  
no thread  
no TOPIT  
no noise  
any coin

### **BONUS**

**Coin from ???** instead it is a way more easy to disappear one signed coin (or a ring) without any suspicious movement and find it in your coin purse, in a sugar packet or where the imagination suggests! Another 100% total vanish!

perfect in street magic or close-up  
no noise  
no TOPIT  
no magnet  
any coin  
gimmick made easy
