Tic Tac by Sandeep video DOWNLOAD

Trick Tac is an effect where you balance a Tic tac box in an impossible way on your finger. It is very easy to do and once you make the gimmick it will last forever.

- 1) No glue, wax, magnets etc.
- 2) Everything is examinable
- 3) Do with or without tic tacs in the box
- 4) Quick reset

Once you learn it, you will love performing it.
