

Choice by Illusion Secrets video DOWNLOAD

In this trick you make an unbelievable double prediction.

1. Just imagine you show two cards with a prediction.
2. You put them in your pocket without revealing them.
3. The spectator names any two cards from the deck. It's an absolutely free choice!!!
4. Your spectator won't believe it but when you pull out the cards from your pocket they match the spectator's choice.

The method is very clever and invisible. Such a powerful and practical trick. The spectators always leave amazed.

You will get a step by step video explanation on how to turn this miracle into reality. After some practice this trick will be your secret weapon to amaze your spectators.
