

## **The Basics of Sleiving Vol. 1 by Rocco video DOWNLOAD**

*Learn the techniques that win awards!*

This series is the most comprehensive program on the topic of "Sleiving". Best of all, it is taught by the master that elevated sleiving to an art form. Every aspect is covered, from clothing requirements to detailed instruction on the sleiving of basic shapes. With extreme close-ups and slow motion, Rocco leads you through simple routines and drills to help you perfect your technique.

This volume advances the student to the intermediate level. This program is a must for anyone that wants to understand Sleiving, or simply desires to expand his or her magic library.

*Running time* approximately 2hr 35min
