

Hypno Effects (Vol 11) by Peter Turner eBook DOWNLOAD

****This book teaches the illusion of hypnosis; you DON'T NEED to be a hypnotist to perform these mind-blowing effects.****

Hypnosis is one of the purest and most realistic forms of mentalism; in essence, you are apparently a true master of mind control, with the ability to make anyone do anything you wish.

With great power comes great responsibility.

From mentalism effects with a hypnosis flavor, to self-working hypnosis-esque miracles, **it's all in here**. If you have followed the rest of the monthly course volumes, you'll know that each month is **packed** with effects, routines, principles and ideas from a range of perspectives.

This month, there are contributions from **Anthony Jacquin, Andrew Gerard, James Brown, Robert Watkins, Fraser Parker, Brandon Queen** and more!

This is another **epic** contribution to mentalism from Peter Turner, and is not to be missed!
