How would you like to perform the Multiplying Billiard Balls in a brand new and exciting way? In this **Impromptu** video, you are taught how to manipulate one or more balls in a new way without needing pockets, a jacket or a holder! The appearances are incredibly smooth. You will additionally dazzle your audience by instantly, impossibly attaching a ball to a rope, having the ball ride up and down the rope, and then snapping it off - incredibly visual!

Includes:

- Three Balls with One Hand
