

## **Royle's Reveals Hypnosis Secrets 3 - Craig Williams Microphone Induction by Jonathan Royle Mixed Media DOWNLOAD**

Hypnotist Jonathan Royle reveals to you every nuance of this tried, tested and consistently proven-to-work technique for rapidly placing people into a genuine hypnotic trance state in seconds. He does this by way of three easy-to-follow, step-by-step training videos, and a direct-to-the-point training manual.

Using this technique, you have someone stare at your microphone as you hold them steady by their arms. A few seconds later, they are seen to fall gently to the floor as you lower them down to the stage -- they enter a lovely, deep, hypnotic trance state.

You will also gain free bonus access to three complete home study course manuals covering all areas of NLP, hypnotherapy and, of course, comedy stage hypnosis and street hypnotism.

These **Royle's Reveals Hypnosis Secrets** packages (18 different ones are available) will also give you an insight into Royle's unique style of hypnosis training. This can be quite helpful before you make the wise decision to invest into his more comprehensive packages and products.

The techniques taught are ideal for stage, street and even clinical hypnosis applications. They are extremely easy to master, thanks to Royle's unique manner of instruction.

You will also get a bonus video, teaching several verbal suggestibility tests.

A real bargain at just \$4.00!
