

Royle's Reveals Hypnosis Secrets 4 - Eyes Follow Thumb Suggestion Test by Jonathan Royle Mixed Media DOWNLOAD

Hypnotist Jonathan Royle reveals to you every nuance of this tried, tested and consistently proven-to-work technique for rapidly convincing people that you can place them into a genuine hypnotic trance state in seconds. He does this by way of two easy-to-follow, step-by-step training videos.

With this test, which is guaranteed to work 100% of the time, a person follows the thumb with their eyes, and turn in a clockwise direction as they rotate at the waist. They stop when it becomes uncomfortable to move any further.

Then, after some suggestions from you, the hypnotist, their reality is instantly changed and they are able to do the same thing again, except this time they physically go much further than before.

This will truly amaze them, as they can really feel and experience the difference. It is visually very impressive to the audience as well.

This is not only a great convincer for hypnotists, but also a great demonstration of positive mind power and positive thinking.

These **Royle's Reveals Hypnosis Secrets** packages (18 different ones are available) will also give you an insight into Royle's unique style of hypnosis training. This can be quite helpful before you make the wise decision to invest into his more comprehensive packages and products.

The techniques taught are ideal for stage, street and even clinical hypnosis applications. They are extremely easy to master, thanks to Royle's unique manner of instruction.

You will also get a bonus video, teaching several verbal suggestibility tests.
