The perfect mind reading effect. A prediction is handed out before anything else happens and is never touched again. A deck of cards is shuffled and three spectators each receive a bundle of cards. Each spectator is asked to THINK of a single card within their bunch. WITHOUT any hesitation, the magician reveals the first spectator's card and then the second spectator's THOUGHT-OF card! Now for the KILLER ENDING!! The third spectator is asked to open the prediction that has been in full view from the start, and it correctly predicts his THOUGHT OF card!

Now you can reveal merely thought-of playing cards. Perfect for close-up, walk around. and stage. **Triveal** is a super clever routine which is easy to master and packs a massive punch. **Triveal** is deceptive and suitable for mentalists or magicians.
