

Code Break by Joel Dickinson eBook DOWNLOAD

Unlock the secret! If you own an iPhone, you have a miracle at your fingertips. This is a strong PIN code reveal with your iPhone. With no gimmicks, mathematics, written predictions, or apps, a participant is able to examine, lock and then amazingly unlock your iPhone by correctly guessing your PIN code.

It really is as clean as it sounds. There is nothing added to your phone and nothing to hide. This is a tried and tested routine which gets big reactions every time.

"I think it's pure genius and brilliant, and you should buy it!"
