

Very Bizarre by Steven Himmel video DOWNLOAD

EFFECT: A blue-backed Queen of Hearts is sandwiched face down between two blue-backed Jokers. With just a wave, the Queen turns face up. This is repeated, but now the back of the Queen changes from blue to red. Then, by waving the Queen over the Jokers, you cause their backs to also change from blue to red.

Looks like real magic - gets great reactions! You'll enjoy performing **Very Bizarre**.
