

## **IVCC - Improved Vanishing Card Case by Matthew Johnson video DOWNLOAD**

A card case cleanly vanishes, leaving just the deck. After the vanish, the deck can be shown front and back and can be used for your favorite routines!

Matt Johnson's **Improved Vanishing Card Case** is now available for instant download -- only \$15.

Imagine the card case vanishing from the deck in the blink of an eye, and then you immediately display the fronts and backs of the cards before going into your favorite routine. Well... imagine no more. Matt Johnson's **Improved Vanishing Card Case** is here!

Learn how to make the gimmick in minutes, how to vanish the card case and get two more bonus routines all for only \$15.

Get access to a 40-minute instructional video taking you step by step through this incredible piece of close-up magic. This one is direct from Matt Johnson's 20-year working repertoire. He's kept this one pretty guarded, and now it can be yours.
