

At The Table Live Lecture Paul Romhany June 7th 2017 video DOWNLOAD

One of the most prolific thinkers and creators in magic today! We're proud to welcome **Paul Romhany** for an **At The Table** lecture like no other! A writer of over 60 books, the editor for *Vanish Magazine*, and the inventor of countless effects, Paul is described as one of the most entertaining and highly innovative magic acts in the world today. Join us as Paul teaches effects from his working repertoire, and even shares some moves from his renowned Charlie Chaplin character! Here's what you'll learn:

Time Warp: An Out To Lunch routine with a watch theme and no rubber bands. This is one you'll definitely be using!

Business Card Routine: A truly flashy business card effect! A signature visually disappears from one card to join the spectator's signature on another card!

Perfect Time: Paul demonstrates his ability to predict the time down to the second. Paul explains how to easily accomplish this impossible feat!

Romhany's Chair Test: Paul shares the secret to the chair test that he uses in his shows. For anyone who wants to break into stage work, or expand your stage repertoire, this is something you don't want to miss!

Leg Trick: A fun, "impromptu" effect where you predict a spectator's choice. Works 100% of the time, all the time!

Mental Epic: Paul runs through some fantastic nuances of Mental Epic and even includes a "propless" version for those who don't own a Mental Epic board.

Sudoku Rubik's Cube: Paul shares a way to force a number using two Rubik's Cubes. Perfect for a Magic Square routine or a book test.

WEACAAN: This is the World's Easiest Any Card At Any Number... nuff 'said.

Book Test with ANY Book: Paul's version of a classic book test. The best part of this version is that you can use any old book that you have lying around!

Pencil thru Coin: Step 1. Erase the center of a coin to create a hole. Step 2.

Penetrate a pencil through the coin. Step 3. Hand out the coin with missing center to thunderous applause.

8 Ball from Business Card: A beautiful 8 ball production from a drawing on a business card. A super strong walk-around effect guaranteed to get wild reactions!

Calendar Presage: A prediction effect that utilizes a calendar journal. The spectator can freely select any day of the year, and card associated with that chosen date will ALWAYS be the prediction!
