

The Vault - Naked Deck Switch by Charlie Frye Mixed Media DOWNLOAD

Charlie Frye's underground deck switching secret finally revealed!

An incredibly easy deck switch that happens right under your spectators' noses even if they are staring right at it!

Easy to do.

Think of the possibilities - switch from a forcing deck to a regular deck, or switch from a regular deck to a set-up deck (Out Of This World, perhaps?). A whole new world opens up for your magic when you can feel confident in executing a perfect and easy deck switch! Your magic will never be the same!

Download comes with all files to needed to assemble and perform. Download also includes 3 Amazing bonus moves from Charlie's world famous *Eccentrics* DVD Collection.
