

The Vault - Shape Shifter by Shin Lim and Riccardo Negroni video **DOWNLOAD**

The most magical coin and ring Spellbound you will ever do! The two items appear to transform into one another in a most visual manner, back and forth. Astounding to watch!

Shin Lim flew all the way to Milan, Italy to meet up with the underground legend, Riccardo Negroni.

There he witnessed an incredibly unique Spellbound routine using an un-gimmicked ring and coin.

What you see here is a fully realized routine into which he put many years of thought, real world practice and experience. This is Riccardo's go-to routine to perform. And now it's yours to learn.
