

Tinky Winky by Yugi Howen video DOWNLOAD

Imagine the following. The perfect solid-through-solid! You fold a card and place a money note inside. The money sticks out of the folded card at both ends, so your spectators see that it's inside the card. Now, you pull the card quickly, right through the note! Nothing is torn - not the card, not the money. Incredible!! This is a very creative trick! With the **Tinky Winky** video download, you can learn how to make this amazing miracle. You don't need to switch the money or the card. You can use any money and any card. It's easy to do even without preparation.

Tinky Winky has three great routines and one gimmick that you can make yourself. With this trick, you can expand your own creativity. You will also be taught a special technique to perform this effect.

2 Impromptu techniques, and 1 Special Gimmick!

"Wow, I can do this anywhere and anytime"
