

Sam Wooding 2017 Winter Lecture Notes by Sam Wooding eBook DOWNLOAD

Hello, I am Sam Wooding. In my set of lecture notes, you will learn:

The Watcher: The spectator takes a watch, decides on a time (no force). The performer then divines the thought.

The Petal: A fantastic new routine that revolves around love.

Extinguish: A new force (never before seen) that is incredibly easy. This can be used with playing cards, "which hand?" routines, and so much more.

ISMIP: A fun, easy, practical principle to force almost anything!

Purple One Handed Centre Tear: A new one-handed centre tear!

Dreaming of Her: A book test dealing with dreams.

Limitless: A fantastic Psychological Force for "space".

Falling: A fun Psychological Force for a coin.

Mckenzie's Petal: A fun way to force any time!

Simon's Petal: An incredibly easy way to know which hand a coin is in every single time.

All this and so much more in this set of lecture notes. Download the **Sam Wooding 2017 Winter Lecture Notes** eBook, learn, and thrill your audience!
