

GONE by Matt Pilcher video DOWNLOAD

You present a coin, and explain how life is like a coin. "You can spend it any way you wish, but once it's gone, it's gone." At that very moment, the coin vanishes!

Show both sides of your hands - the coin has completely disappeared. **GONE!**

"**GONE** Is a heist that happens at the fingertips, and leaves everyone wondering how you got away with it."

- **Blake Brenneman II (Magician & Gambling Historian)**
