

GHOST SHARPIE by Renegado Arnel video DOWNLOAD

A mysterious and cool way to open a Sharpie! At your control, the cap flies off or into the air!

Imagine you are in a card routine. You ask the spectator to sign their name to a card. Before you hand them the Sharpie pen, you might make a comment related to ghosts or otherworldly phenomena. Or perhaps you simply surprise them with this startling moment!

Get the **GHOST SHARPIE** and add some mystery to your performance.
