

Coin Life by Li Meng video DOWNLOAD

"I want to state that this was my original magic in 2010. Now 2017, it has been made for around seven years. So, I decide to share with you, the techniques can be used alone, I hope you'll like them."

- Li Meng

Coin, Button, Chip, Signature Card, and more!

Watch the amazing video presentation, as we cannot do justice to the pure visual magic that Li Meng creates. You will literally see objects change from one to another, in the blink of an eye. You'll agree that he is a true master. And he will teach you his secrets in this video download, **Coin Life**.

- Complete program
- Pure skill
- No special props

Difficult, not for beginners.
The video is 20 minutes in length.

Your time is, of course, very valuable, so this video was kept short - no time is wasted. It could easily have been an hour-long video, but Li Meng wanted to get straight to the point.

Hope you enjoy it!
