Magic Soul Presents Touch by Hanson Chien

Touch shows many brilliant ideas of Rubber Band Magic.

All the tricks are impromptu and can be done with borrowed rubber bands!

No-talk teaching also makes everything easy to learn in any language!

Touch by Hanson Chien is viewed as the most stunning impromptu rubber band magic, being widely discussed by magic forums in many different countries.

In this video, Hanson, for the first time, tells the secrets of **Touch** and other 9 rubber band tricks. Hanson carefully teaches all the details of the settings, and many other methods and variations. As a bonus, he teaches 2 additional routines from his usual procedure of rubber band work. The effects presented in this video are breathtakingly visual - you don't want to miss this!
