

## **Freak Hole by RN Magic Ideas video DOWNLOAD**

**Freak Hole** is a visual moving hole effect on a signed playing card. Have your spectator select any card and SIGN it. You then punch a HOLE so it leaves their card with a real hole. Put it on top of the deck. Flick the hole with your fingers and, visually, the hole moves to the other side of their selected card!

- Build your own gimmick in less than 5 seconds!
- Fully examinable before and after!
- Give it as a souvenir to your spectator!

This is Easy, Fast, Visual and Fully Examinable!!!
