

Revolution Restored by Mochammad Rahadyan video DOWNLOAD

This may sound impossible, but it's true! Below is the effect as the spectator sees it:

A spectator selects a card from the deck. You then tear it half. Now, just by rubbing the two halves together, the card is restored. You can then hand it back to your spectator to examine it!

This is a simple and direct card-restoration effect. And, it's easy to do!
