

## **The Vault - Ripped and Fried by Charlie Frye (From the True Astonishments Box Set) video DOWNLOAD**

The most ingenious beautiful torn and restored method ever created! No switches, ditches, or steals. Perform any time with normal cards!

Charlie Frye has come up with the most incredible Torn and Restored Technology to date! Whether you play with this in the mirror or on the town, you will love doing this! And your audience will go crazy!

The spectator signs their selected card. It is placed inside of another card, and the two are clearly torn together. The magician even separates them, making it clear that both are indeed torn. Nevertheless, right in front of their eyes, you remove their card from inside and it's completely restored!

All can be examined as you have just two normal cards and nothing else!

Get this download and soon you're be performing the above miracle!
