

The Jack the Ripper Séance by Paul Voodini eBook DOWNLOAD

Jack the Ripper is an entity that creates as much intrigue, mystery, and fear today as he did in London in 1888!

Perfect for Halloween, Paul Voodini presents the world-famous **Jack the Ripper Séance**! This detailed manuscript provides the mystery performer with all the information required to stage a frighteningly good evening of murderous séance theatre, exactly as the Great Voodini has been presenting to the paying public in London's famous Covent Garden and Theatreland! No pipe dreams here! This manuscript is the result of performing for paying members of the public!

With the express intention of establishing spirit communication with Jack the Ripper and his unfortunate victims, your guests will be taken on a heart-stopping journey through the fog-shrouded streets of Victorian spiritualism, mesmerism, séance, and even past life regression! And the best thing about this night of séance and paranormal entertainment? There are no gimmicks involved at all! Voodini's séances are famous for utilizing only the power of your guests' imagination - and this manuscript details exactly how to get your guests so excited that once the lights are turned off, they will experience exactly what you want them to experience!

Alongside the full details and script for the evening of séance and paranormal entertainment, the PDF also includes all the background material on Jack the Ripper, his heinous crimes, and his unfortunate victims that you will need to appear as a knowledgeable "Ripperologist" and master of the occult arts! This eBook can also be seen as a blueprint to which you can add your own routines.
