

## The Voodini Steps to Mentalism by Paul Voodini eBook DOWNLOAD

Paul Voodini presents **The Voodini Steps to Mentalism**, his own very personal take on the classic 13 Steps to Mentalism. Taking the original 13 Steps to Mentalism's chapter headings as his starting point, Paul takes us on a journey through his unique approach to mentalism and mind-magic. Packed full of routines and presentational ideas, The Voodini Steps also features real world performance advice and anecdotes from his time as a professional entertainer.

This is a full length, 352-page publication, containing a lifetime's worth of information on areas as diverse as the use of pendulums, blindfolds, billets, book tests, along with advice on publicity and presentation. The full chapter headings are:

1. Swami Gimmick
2. Pendulums
3. Mnemonics
4. Predictions
5. Blindfolds
6. Billets
7. Book Tests
8. Telepathy & Psychic Party Games
9. Mediumistic Stunts (previously released as '#9')
10. Playing Cards
11. Cold Reading (contains elements from the previously released 'Cold Reading Lecture')
12. Promotion & Publicity
13. Patter & Presentation

With its emphasis very firmly placed in the real world of performance and entertainment, this book is a goldmine of practical information for both the professional and the enthusiast. There is much here to inspire and excite anyone with a passion for mentalism, mind-magic, and the esoteric. A lifetime's work encapsulated within 352 pages.

This work was originally made available to people who subscribed directly with Paul Voodini for the individual steps, and is now available for general purchase for the first time.
