**Inception Bend** by Barbumagic - A very natural one-handed coin bend.

In this video download, you will learn a very deceptive one-handed coin bend and a double coin-bend routine. In this routine, one of the coins bends in the magician's hand, while the second coin bends in the spectator's hand.

As you know, magic that happens in the spectator's hand is particularly powerful. When they open their hand and see that their coin is now bent, they are stunned beyond belief! You'll be able to perform this powerful effect once you learn this secret technique.

Welcome to **Inception Bend**!
