

## **W.H.P by Sam Wooding video DOWNLOAD**

You may have seen the power of "Which Hand" demonstrations. Everyone is always thrilled and amazed to witness this mind-reading ability. NOW, **W.H.P** takes this to an even higher level, making the demonstration even more impossible to behold!

Sam Wooding's **W.H.P** is an incredible demonstration where the performer can predict which hand a coin is in **FOUR TIMES IN A ROW** with only one prediction used! There is no one-ahead method, expensive gaffs, or fishing! She has come up with possibly one of the best and most practical ways to present a "which hand" prediction routine.

This video download will enable **YOU** to soon boggle people's minds!
