

Under the Skin by Jimmy Strange video DOWNLOAD

A unique way to reveal a chosen selection - spectators will swear they saw it UNDER YOUR SKIN!

Have you ever sat in a dark room and shone a torch through your hand to reveal the living tissue? Using this technique, Jimmy Strange teaches you how to bizarrely reveal a card, an ESP symbol, or a spectator's initials 'under the skin'. Use your own mobile phone's torch, or borrow one from your spectators. You can show your hands clean. Easy to perform.
