

The Vault - Forging Ahead by Jason Ladanye video DOWNLOAD

Forging Ahead -- One of the strongest signature transfers you'll ever do!

In Jason's version of this classic plot, you transfer the spectator's initials from the face of one card to the face of another card. This effect will eviscerate your audience!

This video download will teach you, step by step, how to perform this incredible effect. Your spectator will find this absolutely impossible - it **MUST** be magic!
