

Oipics by Matt Pilcher video DOWNLOAD

Your spectators may swear this is magic!

Oipics is a brilliant routine designed for those who like to demonstrate their card handling skills at the card table.

The story and presentation of **Oipics** is an intriguing one for your spectators. It's unlike any trick they've seen before.

The trick uses a standard deck of cards with no funny gaff cards or gimmicks to make. It is all pure sleight of hand.

Download this video tutorial and learn how to perform this fabulous effect.
