

WHEN by SaysevenT video DOWNLOAD

Imagine when you see magic in action and it happens instantly, right in front of you! A question runs through your mind: "**WHEN** did that happen?" Here's our new effect, appropriately titled, **WHEN**.

WHEN, by SaysevenT, is a description of the following effect. A card is placed in the middle of the deck. The magician or the spectator touches the card. At that very moment, the card changes into another card! A question then arises in the spectator's mind: "**WHEN** did that happen?"

It's IMPORTANT to remember:

- NO gimmick
- NO gaff
- NO special deck

WHEN FEATURES:

- Video download with a detailed explanation
- The tutorial is EASY to understand
- EASY to follow along
- SMOOTH
- EASY to perform
- GREAT for STREET magic (your spectator may touch the card)
- 1 BONUS TRICK

"**WHEN** does it happen?" "**WHEN** does it happen?" "**WHEN** does it happen?"
