

T & R Cigarette by Arie Bhojez video DOWNLOAD

Torn and Restored BORROWED Cigarette!

Here's a visual trick with a spectator's cigarette. Ask the spectator to break their cigarette into two pieces. The magician takes both pieces, and has the spectator mark the cigarette. Step by step, the magician restores the cigarette back together, with the spectator's marks intact. Wow! Audiences have great reactions of stunned amazement!

- Easy to do
- Cigarette is borrowed
- Cigarette is marked by the spectator
- Download this video and start frying your spectators' minds!
