A highly visual and easy-to-do Torn and Restored Bill effect like no other!

Here's what your audience sees: Borrow a bill from a spectator. They sign the bill. Right in front of them, you tear their bill in half. Place half of the bill in their hand, which they then close completely. Your half of the bill vanishes. Ask them to look for both halves in their hand. Upon opening their hand, they discover their signed bill completely restored!

Download it today and learn this incredible effect!
