

The Vault - Psyche by Andrew Gerard video DOWNLOAD

They will swear they felt their coin bend in their own hand! And there's more!

It starts with a coin from their pocket; it bends in their hand and in front of their eyes. At the end, they are left with a bent coin they signed. Andrew Gerard's dirty little secret is OUT! No bending devices are used during the performance of this effect. The only thing that gets bent is your audience's mind.

This video download will teach you what you need to know. Start performing **Psyche** today!
